SUITABILITY FOR PURPOSE & PERFORMANCE WARRANTY

CUSTOMER :

PROJECT :

ORDER NO. :

DEVELOPMENT

**ROADCOAT CENTRO
PARKING DECK PROTECTIVE DRIVING SURFACE**

**CENTRO Hi-MARK PERMANENT MARKING
CENTRO Hi-Lite LONG LIFE LINE MARKING**

PRODUCTION

for the ROADCOAT system design, materials and installation of the **CENTRO**, the **CENTRO Hi-MARK** and the **CENTRO Hi-Lite**, i.e. we warrant their suitability for purpose, the quality of the materials used and the finished product as installed.

Assuming that the use remains as foreseen, with the normal wear and tear of automobile, truck and pedestrian traffic, we herewith warrant that the above noted systems, as defined in the following list of documents, will retain their suitability for purpose for a period starting from the date of issue of the substantial completion certificate or date of use, whichever comes first, and ending on that month and day 12 years later.

SPECIFICATION

CENTRO	SYSTEM DESIGN LIFE	(Rev 2)
CENTRO	PERFORMANCE DATA	(Rev 9)
CENTRO	TECHNICAL DATA	(Rev 9)
CENTRO Hi-MARK	Performance Technical Data	(Rev 2)
CENTRO Hi-Lite	Performance Technical Data	(Rev 2)

No extension of this time period is possible without the written consent of Roadcoat. Liability is confined to the repair of areas shown to be defective under the terms of this warranty and shall not extend to consequential liabilities of any kind.

This warranty is given to the party above mentioned and can be transferred by notification to Roadcoat. Nothing herein confers or purports to confer on any other third party any benefit or right to enforce any term of this warranty. It supersedes any and all other warranties/guarantees given or implied by ROADCOAT or their agents. This warranty excludes mechanical damage and defects due to failures in the structure itself.

INSTALLATION

ROADCOAT GmbH
EN ISO 9001
